From week to week this column will be devoted to the cause of temperance under the auspices of the local organization of the Woman's Christian Temperance Union. Contributions to this cause are invited. All articles intended for publication should be addressed to the editor of this department. Edited by Mrs. C. E. Robinson.

A Word of Explanation

For more than two years the Christian women of Pickens have tried to maintain a local chapter of the Women's Christian Temperance union, holding meetings regularly once each month and endeavoring to create a more healthy sentiment and deeper interest in this important subject. We have distributed many pages of tracts and other literature in the interest of the cause, but feeling that our circle of usefulness could be extended and our field of endeavor widened, a committee from our chapter was appointed to confer with the managers of The Sentinel and ask the use of its columns. This was gladly and cheerfully granted, which is deeply appreciated by our women. At a recent meeting of our chapter the undersigned was asked to take charge and assume the editing of this department. I enter upon this duty with a feeling of incompetency to present the cause to the people and to make impressive the importance of its value as it should be done, but with the co-operation, sympathy and prayers of our readers and by God's help I assume the task, hoping some good may be accomplished.

From week to week articles will appear in this column touching some phase of the temperance cause. Not all of them will be original, as I hope to give facts and statistics, the views and opinions from those more capable than I. I invite contributions, suggestions and articles from others interested in this great cause. Respectfully, MRS. C. E. ROBINSON.

Card of Thanks

We wish to thank our friends and neighbors for kindness shown us during the sickness and death of our infant, Cornelia Ramsay. May God's richest blessings rest upon you all. Mr. and Mrs. J. D. Holder.
